What Kind of Work is Available?

- Research
- Clerical
- Archeology
- Maintenance
- Computer
- Forestry
- Information
- Much more

What is the Senior Community Service Employment Program (SCSEP)

SCSEP is a cooperative program of the USDA Forest Service and the U.S. Department of Labor. The program provides qualified seniors with meaningful part-time employment and job training.

It also provides services to the greater community through Forest Service-related work.

The program's intent is to help senior citizens earn extra income and re-enter the work force.

What Should You Do Now?

For more information, contact:
